

# Jeekyll or Hyde

## Die Krupps

Fear myself and nobody else  
Born of innocence - you and me  
The struggle to know - who to be  
Society's forcing you to be rotten  
All morals have been forgotten  
Find myself in all this mess  
Free myself from all this mess  
You're fighting to stay on the good side  
There's no one to show you what's good or right  
When desperation strikes with all its might  
You turn from good Jekyll to evil Hyde  
Society's forcing you to be bad  
It is the truth it is so sad  
It makes the worst come out  
I see where it's leading to and I shout  
The world says hate yet I still care  
Jekyll or Hyde which will I be  
Society throws the dice will I be a prisoner or will I be free  
Jekyll or Hyde which will be my fate  
Society throws the dice will I love or will I hate  
Jekyll or hide which will I choose  
Society throws the dice will I win or will I lose.
