

How Much You Mean to Me

Ted & Sheri

Verse 1

Fixed it if it was broken
Closed it if it was open
You are everything I need and more
You were there when I needed you
Always there to see me through
And now I sing this song to tell you
How much I care for you

Chorus

I just want to let you know
Just in case it didnâ€™t show
Had to let you know how much you mean
To me
Words will never express
The level of my happiness
Had to let you know how much you mean
To me

Verse 2

You were with me through the storm
And in the cold you kept me warm
And if there wasnâ€™t peace you made it calm
You are so amazing to me
Iâ€™m a living testimony
And if it wasnâ€™t for you I wouldnâ€™t be here
So hereâ€™s to you Lord

Chorus

Special

Hereâ€™s what I want to tell you
Youâ€™ve been so good
Youâ€™ve been so kind
And I had to let you know
Let me tell you this
Youâ€™ve been so good
Youâ€™ve been so kind
I had to let you know

Vamp

Youâ€™ve been so good

Youâ€™ve been so kind

I had to let you know

(Repeat 4 times)
