What You've Done to Me

NEEDTOBREATHE

Iâ€™m finally broken, falling too far
Burned up in pieces from chasing your stars
With twilight approaching all that Iâ€™ve seen
I could never get over what youâ€™ve done to me

She was the picture of a Midwest sweetheart
Wrapped in a grace to make a good man come apart
She wrote my sirenâ€™s song a tune with one dance
Then gave it words with just a glance

Iâ€™m finally broken, falling too far
Burned up in pieces from chasing your stars
With twilight approaching all that Iâ€™ve seen
I could never get over what youâ€™ve done to me
What you've done to me

I thought that love was just a song we made up
Some kind of chant to make us strong
But when she left me with a word
I knew that I had never been so wrong

Finally broken, falling too far
Burned up in pieces from chasing your stars
With twilight approaching all that Iâ€™ve seen
I could never get over what youâ€™ve done to me
I could never get over what youâ€™ve done to me

Iâ€™m finally broken, falling too far
Burned up in pieces from chasing your stars
With twilight approaching all that Iâ€™ve seen
I could never get over what youâ€™ve done to me
What you've done to me
