Liar

Sunnyboys

Thought that you could pretend
The walls are closing in
I didn't suspect anything at first
You were quicker than the rest
You let me down
I read your book
Now your dreams will not exist
I caught you in my yard
You're a liar
Ooh can't take what you say
You're a liar
Ooh why don't you go away?
So you've seen me and it's true
I'll never be the same
I didn't mean any harm
It was just a game, you lost
Take my pride
I'm gonna die
Now I've caught you off your guard
I've caught you in my yard
Well you're a liar,
Ooh can't take what you say
Liar
Ooh why don't you go away?
Can I stand up through all these accusations?
I mean, everyone lies now and again
You're a liar,
Ooh, can't take what you say
Liar
Why don't you go away?
You're a liar,
Ooh can't take what you say
Liar,
Ooh why don't you go away?
