

Coyote (Live on KEXP)

The Lonely Forest

Get up, listen to the coyotes howl
Why do they sound so menacing?
Do they know what I did last night?
Doesn't my sin seem interesting?
Doesn't my sin seem interesting? I wish you'd come back home
I want to hold your hand
I wish you'd come back home
I want to hold your hand Oh, oh, oh, oh
Oh, oh, oh, oh
Oh, oh, oh, oh
Oh, oh, oh, oh Get up, listen to the coyotes howl
Why do they sound so menacing?
Do they know what I did last night?
And does my sin seem interesting? I wish you'd come back home
I want to hold your hand
I wish you'd come back home
I want to hold your hand It will be alright
It will be alright
It will be alright
It will be alright
