Borneo Jimmy

The Dictators

Standing by the ringside
Cheering on the bad guys
Jimmy lights a cigar
He's cursing out the old fartsDrinking Johnny Walker Black
I tell you, Jimmy's been to hell and back
But nothing ever gets him down
'Cause he's got his friends aroundHey, hey, hey
Your day will come, Jimmy
Don't you lose your inspiration
You will reach your destination, nowGo Jimmy go
Go Jimmy go
It's your time to flyGo Jimmy go
Go Jimmy go
Go, go, go, go, go, goHe loves our little furry friends
Stores 'em up in gelatin
He can babble on and on
All about Jim MorrisonSearching for the promised land
Love can ruin a ladies man
Sonny Liston got his breaks
And you'll get yours if you can waitHey, hey, hey
Your day will come, Jimmy
Don't you lose your inspiration
You will reach your destination, nowGo Jimmy go
Go Jimmy go
It's your time to flyGo Jimmy go
Go Jimmy go
It's your time to fly
Yeah, oh yeahGo Jimmy go
Go Jimmy go
It's your time to flyGo Jimmy go
Go Jimmy go
Go, go, go, go, go, goGo Jimmy go
Go Jimmy go
Yeah, yeah, yeah
Go Jimmy go
Go Jimmy goGo Jimmy go
Go Jimmy go
Yeah, yeah, yeah
Go Jimmy go
