

# Taking Tiger Mountain

Brian Eno

We climbed and we climbed  
Oh, how we climbed  
My, how we climbed  
Over the stars to top  
Tiger mountain  
Forcing the lines through the snowWe climbed and we climbed  
Oh, how we climbed  
My, how we climbed  
Over the stars to top  
Tiger mountain  
Forcing the lines through the snowWe climbed and we climbed  
Oh, how we climbed  
My, how we climbed  
Over the stars to top  
Tiger mountain  
Forcing the lines through the snowWe climbed and we climbed  
Oh, how we climbed
