

# We're All No One (Nervo Goes to Paris Remix)

## NERVO

You do your best.  
You take the fall.  
You reminisce.  
About almost nearly having it all. You see the stars  
You try and catch one  
ooooh  
You tried so hard  
Chasing, nothing Because,  
We're all no one 'til someone thinks that we're someone  
'Til then we're no one  
And you got me looking at you I said we're all no one 'til someone thinks that we're someone  
'til then we're no one  
And you got me looking at you, looking at you We're all the same  
We all have hopes  
Ohh it gets insane  
When you're slipping down that downward slope  
I come with peace,  
I offer love.  
So if you're hearing me,  
Then hurry baby,  
Give it up. Because,  
We're all no one 'til someone thinks that we're someone  
'Til then we're no one  
And you got me looking at you I said we're all no one 'til someone thinks that we're someone  
'Til then we're no one  
And you got me looking at you I said we're all no one 'til someone thinks that we're someone  
'Til then we're no one  
And you got me looking at you I said we're all no one 'til someone thinks that we're someone Oh!  
C'mon  
Ooooooh!  
C'mon Do ya best. we're all no one 'til someone thinks that we're someone  
'Til then we're no one  
And you got me looking at you, looking at you I said we're all no one 'til someone thinks that we're someone  
'Til then we're no one  
And you got me looking at you, looking at you.
