Bring Me Closer

Altered Images

If I could achieve what I do with theseI wouldn't ask you for anything else.
Bring me closer
bring me closer
please
bring me closer.
I though we were friends
it never startIt only ends and I'm losing everyting I own.
You took me nowhere
you took me nowhereYou took me nowhere
you took me nowhereSomething that you do to me fills me with uneaseSomething that you do to me
do to me . . .
Again and again
I lose myself again inside you and your lie
Bring me closer
bring me closer
please
bring me closer.
If I could achieve
ifI could achieve
if I could achieveBring me closer
bring me closerPlease
bring me closer
please
bring me closer.
Something that you do to me fills me with uneaseSomething that you do to me fills me with uneaseSomething that you do to me
do to me
do to me
do to me.
