Turn It Around

Crash Kelly

Oh, woh
Took the ground
From underneath my feet
Silent town
Ghosts this empty street
I see the home that once was mine
Now just bones of former life
Touch this page of sacred time, again
I see you call
You don't have to be strong for me
I won't shoot your defences down
Whatever happens, I want you to see
We can face it together, turn it around
A new life
Grows within his hands
I'm coming back
To this promised land

And with these bones we will rebuild
To the flesh of future life
Giving back that sacred time, again
I see you call
You don't have to be strong for me
I won't shoot your defences down
Whatever happens, I want you to see
We can face it together, turn it around
You don't have to be strong for me
I won't shoot your defences down
Whatever happens, I want you to see
We can face it together, turn it around
Turn it around
Turn it around
Turn it around
