My Time

Jane's Addiction

Yeah, the rain came
I said hey buddy
Buddy the streets are a snake and skin
I belong out there walkin', nobody's stoppin' to bother me
They hide outside, the ceilings is cryin'
Listen to the sound of the gutters runnin'
Wash that dirty town
All fronts and no backs
Give me my time, let me be outside
Under the ceiling is cryin'
Yeah, yeah, yeah, all over me cryin'
Yeah, yeah, yeah, yeah, all over me, oh
And outside you know
I listen to the sounds of the gutters runnin'
Wash this dirty town
All fronts and no backs
Give me my time, let me be outside
Under the ceiling is cryin'
Yeah, yeah, yeah, yeah, all over me cryin'
Yeah, yeah, yeah, yeah, all over me, oh
