

Raised up in Arkansas

Michael Burks

Raised up in Arkansas

He was born in Milwaukee, raised up in Arkansas
He was born in Milwaukee, raised up in Arkansas
And at the age of 2, he started playing his powered guitar

Michaelâ€™s father told me, son youâ€™re gonna be a big star
Michaelâ€™s father told me, son youâ€™re gonna be a big star
Gonna make lotâ€™s of money, by playing your guitar

Solo

Well my daddy told me, son you gotta pay your due
Well my daddy told me, son you gotta pay your due
Now stop chasing fast women, they just give you the blue
