

# Ya Man

## Balkan Beat Box

minimal, minimal, physical, magical  
minimal, minimal, physical, magical  
I used to be the man on top couldn't stop  
I used to be the thinking head but it was said  
I used to lead the window race put on a face  
my every joke was funny I had a lot of money  
and all the people are fake can't only take  
I'm losing my mind and way, need to get away  
away from gray and crowded places  
city with many faces, my head is about to blow  
I need to lay low  
minimal, minimal, physical, magical  
minimal, minimal, physical, magical  
I used to be the man on top  
used to be the man on top, couldn't stop  
minimal, minimal, physical, magical  
my head is about to blow  
minimal, minimal, physical, magical  
Under the rain I run like a train  
feeding my brain, my private lane  
they will never find me  
I cannot be seen I'm the king of jungle, I will go and win  
this is the life I need now I plan to see only myself to feed  
I'm the man on top don't wanna stop  
my survival is critical  
minimal, minimal, physical, magical  
minimal, minimal, physical, magical  
I need to run away and .  
before I go and lose my mind did I lose my mind  
did I lose my mind
