

Keep Your Boots On

Bodyrockers

She was seventeen
And I was on my knees
She was the best looking girl
That I had ever seen
Keep your boots on
Keep your boots on
Whoa
Heads keep [unverified]
Lips are burning
We are singing
Lalalala, lalalala, lalalaaa
Keep your boots on
Boots on, baby
Keep your boots on
Boots on, baby
Keep your boots on
Boots on, baby
Lalalala, lalalala, lalalaaa
Heads keep [unverified]
Lips are burning
We are singing
Lalalala, lalalala, lalalaaa
Keep your boots on
Keep your boots on
Keep your boots on
Lalalala, lalalala, lalalaaa
Keep your boots on
Boots on, baby
Keep your boots on
Boots on, baby
Keep your boots on
Boots on, baby
Lalalala, lalalala, lalalaaa
