If the fire's out baby
How you gonna keep me warm?
Supposing you left me
With the door wide open no one can leave
I know it's a lie, I want it to be true
The rest of the ride is riding on you
Over goodbyes we'll buy some place for
Wishing you could keep me closer, I'm a lazy dancer
When you move I move with you
Wishing you could keep me closer, I'm a lazy dancer
When you move I move with you
If somebody's got soul
If somebody's got soul
If somebody's got soul
You gotta make the move, make the move
I know it's a lie I want it to be true
The rest of the ride is riding on you
Over goodbyes we'll buy some place for
Wishing you could keep me closer, I'm a lazy dancer
When you move I move with you
Wishing you could keep me closer, I'm a lazy dancer
When you move I move with you
Wishing you could keep me closer, I'm a lazy dancer
When you move I move with you
Wishing you could keep me closer, I'm a lazy dancer
When you move I move with you
