

# Salvation

## St. Christopher

Every day  
It seems I catch you out again  
Catch you out again  
So easily It's a cross I have to bear  
A mistake I have to share if it kills me  
Kills me  
Sixty years too soon Every day  
It seems we're pulled apart again  
Torn apart again  
Too easily It's a risk that I have to take  
An affair that I have to break if it kills me  
Kills me  
Fifty years too soon
