

# Minor Earth Major Sky (Niven's radio edit)

[a-ha](#)

I can't see me in this empty place  
Just another lonely face  
I can't see me here in outer space  
It's so hard to leave a trace And I try and I try and I try  
But it never comes out right  
Yes I try and I try and I try  
But I never get it right It's a  
Minor Earth major sky I can't see me in this lonely town  
Not a friendly face around  
Can you hear me when I speak out loud  
Hear my voice above the crowd And I try and I try and I try  
But it never comes out right  
Yes I try and I try and I try  
But I never get it right It's a  
Minor Earth major sky But I try and I try and I try  
But it never comes out right  
Yes I try and I try and I try  
But I never get it right It's a  
Minor Earth major sky
