Wave (feat. Moncelas Boston and Sophia Eris)

P.O.S.

First think of a name
OK
Try to keep it the same
All day
Now go over your lines
Relax
And get in the character
Now open an eye
Nice try
Put a foot on the floor
One more
'Cause we're going live in 5
Four
Get in the characterI was thinking we could walk on water
And still find reasons to swim inside
Now I'm worried there's a bigger wave
Just behind this one
I was thinking there's a bigger wave
Just behind this one
