

All Your Life

[Nina Nastasia](#)

Busted chin
Seeing stars
Glaring at your handlebars
Your handlebars Why don't you
Try again
All your life
You couldn't win
You couldn't win She's never coming back
She's never coming back
And all this waiting
Is bringing me down Heroin
Makes you thin
You're so high
You can't look up
You can't look up Why don't you
Try again
All your life
You couldn't win
You couldn't win She's never coming back
She's never coming back
And all this waiting
Is bringing me down She's never coming back
She's never coming back
And all this waiting
Is bringing me down
