

You're Not Alone (Acoustic Version)

[Meredith Andrews](#)

I searched for love when the night came and it closed in
I was alone, but You found me where I was hiding
And now I'll never ever be the same
It was the sweetest voice that called my name, saying You're not alone for I am here
Let me wipe away your every fear
My love, I've never left your side
I have seen you through the darkest night
And I'm the One who's loved you all your life
All your life You cry yourself to sleep
'Cause the hurt is real and the pain cuts deep
All hope seems lost with heartache your closest friend
And everyone else long gone
You've had to face the music on your own
But there is a sweeter song that calls you home, saying You're not alone for I am here
Let me wipe away your every tear
My love, I've never left your side
I have seen you through the darkest night
And I'm the One who's loved you all your life
All your life Faithful and true forever
My love will carry you You're not alone for I, I am here
Let me wipe away your every fear
My love, I've never left your side
I have seen you through the darkest night
Your darkest night
And I'm the One who's loved you all your life
All your life
