Trying To Get To You

Elvis Presley

I've been traveling over mountains
Even through the valleys too
I've been traveling night and day
I've been running all the way
Baby, trying to get to you
Ever since I read your letter
Where you said you loved me true
I've been traveling night and day
I've been shrieking all the way
Baby, trying to get to you
When I read your loving letter
Then my heart began to sing
There were many miles between us
But they didn't mean a thing
I just had to reach you, baby
In spite of all you put me through
I kept traveling night and day
I kept running all the way
Baby, trying to get to you
Yeah, well, nothing that could hold me
Or could keep away from you
When your loving letter told me
That you really loved me true
Lord, above you knows I love you
It was He that brought me through
When my way was dark at nights
He would shine His brightest light
When I was trying to get to you
