Christiansands

Tricky

My defenses become fences
I'm stumbling I change my face
And if you think I'm fake up
Wait around till I take off my make-upHere we go again I need another one
Her name is
She looks at me
Says I'm the only oneI met a, a Christian in Christiansands
A Devil in Helsinki
I met a Christian in Christiansands
A Devil in HelsinkiIs it getting better?
Wrote her a letter asking questions
Baby steps in sections
I mean we'll take it slowI really don't know
When you talk you make me cringe
Silver means your messenger
Let her go don't question herI met a, a Christian in Christiansands
A Devil in Helsinki
I met a, Christian in Christiansands
A Devil in HelsinkiYou and me what does that mean?
Always what does that mean?
Forever what does that mean?It means we'll manage I'll master your language
And in the meantime I'll create my own, by my own
It means we'll manage I'll master your language
And in the meantime I'll create my ownYou and me what does that mean?
Always what does that mean?
Forever what does that mean?
Always what does that mean?
Forever what does that mean?It means we'll manage, master your language
And in the meantime I'll create my own
It means we'll manage, master your language
And in the meantime I'll create my ownIt means we'll manage, master your language
And in the meantime
It means we'll manage, master your language
And in the meantime I'll create my ownYou and me what does that mean?
Always what does that mean?
Forever what does that mean?
It means we'll manage I'll master your language
And in the meantime I'll create my ownAnd means we'll manage, master your language
And in the meantime I'll create my own

It means we'll manage, master your language
