

# American dreaming

## Dj Distort

I need my conscience to keep watch over me  
To protect me from myself  
So I can wear honesty like a crown on my head  
When I walk into the promised landWe've been too long American dreaming  
And I think we've all lost the way  
Like some somnambulistic maniacal in the darkI'm in love with an American girl  
Well, she's my best friend  
I love her surreptitious smile  
That hides the pain within herAnd we'll go dancing beside desert waters  
Where love is so wastefully spent  
And dine upon the crumbs of faith  
Most lovers often rejectSpare a thought for the unfortunate man  
Who must choose between love and desireWe've been too long American dreaming  
I think we've all lost the way  
Like some somnambulistic maniacal in the dark
