

Si Te Contara

[Kurt Elling](#)

Si Te Contara Music and Lyric by Félix Reina Altuna Si tÃ° supieras / mi sufrimiento

Si te contara / la inmensa amargura Que llevo tan dentro / la triste historia

Que noche tras noche / de dolor y pena Llena mi alma / surge en mi memoria

como una condena / Si tÃ° supieras Te importarÃ-a / Si te dijera

Que en mÃ- ya no queda / ni luz / ni alegrÃ-a

Que tu recuerdo / es el daÃ±o mÃ;s fuerte

Que me hago yo mismo / por seguir soÃ±ando Con que tÃ° regreses / arrepentida If you knew my suffering . . . If I

were to tell you of the immense bitterness I hold inside me;

The sad story which haunts and invades my memory night after night And fills my soul with pain and sorrow . .

.If you knew . . .

You would have to care.

If you knew that there was no light, no joy left in me . . .

That the memory of you is a great pain I inflict upon myself

In the hope that you will return You would return to me . . . And repent.
