

Fallin' (feat. Nino Brown)

Young B Baby

(Chorus)

Fallin, fallin, fallin, fallin, fallin, fallin, fallin, fallin

(Young B Baby)

Evil brought me in the limelight
Ninja turtle shots with the purple ice
Pourin liquor like my last night
Promethazine and a can of sprite
I'm making more money I'm going so crazy
I'm losing my conscience I hope it don't change me
This world is so shady I hope they don't break me
They stealin my soul I hope they don't take me

(Chorus)

Fallin, fallin, fallin, fallin, fallin, fallin, fallin, fallin

(Nino Brown)

I'm making this money
Kill every n**** try taking it from me

(Chorus)

Fallin, fallin, fallin, fallin, fallin, fallin, fallin, fallin
