

I Spy (For the F.B.I.)

John Hiatt

I spy for the FBI
(I spy for the FBI)
I spy for the FBI
(I spy for the FBI) I got an X-ray camera hidden in your house
That sees what I can't see
And that man you were kissin' last night
Definitely was not me, oh baby I spy for the FBI
(I spy for the FBI)
I spy for the FBI
(I spy for the FBI) Just because he was wearin' shades
You thought he didn't leave a clue
I got his name, I know his game
He's double-0, you know who, oh baby I spy for the FBI
(I spy for the FBI)
I spy for the FBI
(I spy) I've got the facts in the file
Baby, I don't have to guess
I took that agent's fingerprints
Off of your new red dress, oh baby I spy for the FBI
(I spy for the FBI)
I spy for the FBI
(I spy for the FBI) I know when you're out
I know when you're in
I know where you're goin'
'Cause I know where you've been I spy for the FBI
(I spy for the FBI)
Baby, I spy for the FBI
(I spy for the FBI)
Baby, I spy for the FBI
(I spy for the FBI)
