

# December

## Damien Jurado

Winter, put on your coat  
They're expecting a cold one  
Plenty of ice and snow  
On the North Dakota plains December, you killed a man  
Trapped in his car for hours  
He couldn't call for help  
'Cause all of the lines were down I found him in his car  
Hands stuck to the steering wheel Winter, I found it out  
How you can be so cruel  
Boy you just watch your back  
'Cause one day I'll kill you too
