Satellite

Audio Push

Ohhhuh Ohhhuh, Ohhhuh Ohhhuh, Like Satellites, Ohhhuh Ohhhuh..
Verse one:
Hah, Hey. Girl, you feelin' like its lust.
I'm thinkin' that it's love and it's feelin like a rush.
You fiendin for a tickle, I just wanna be the touch.
And if you feelin' crippled, I just wanna be ya crutch.
Trust.
The lames in ya past gave you bad health.
They didn't want you, I'mma take you off the back shelf.
So when i kiss ya lips, tell me how that felt.
And maybe later we can kick it like a black belt.
Hah.
So if you wit it, baby come through.
Just wanna be the finish line that you run to. (Ohhhuh)
The one ya give ya heart, ya kindey and lungs to.
So take my hand babygirl and we can 1,2,
Step.
On the beach or somethin.
We can look at the waves and have a deep discussion. (Ohhhuh)
I'm the king, you're the queen,
We'll pair up the cards.
And you can join me on the rooftop,
We'll stare at the stars.
Chorus:
Breathe it in and let it out,
Hold my hand and close your eyes.
Let me kiss you to the sky,
While I orbit through your mind like satellites.
Ohhhuh Ohhhuh, Ohhhuh Ohhhuh, Like Satellites, Ohhhuh Ohhhuh..
While I orbit through your mind like Satel....
Verse Two:
I say.

Baby, you aint convinced that i'm tryna give you the best love.
You sittin' here and i'm tryna show you what's next, love.
You the reason i'm never mad or upset cuz,
Right now my heart makes more sense then my head does.
Just think about everything that me and you could do,
I saw a lot of girls, but i'm just viewin' you.

Girls tell me their names and i don't know who is who..
But i remember faces and your's is beautiful.
And you wanna ride with me, it's true.
I already know everything that we, can do. (Ohhhuh)
And you and me are one but what they see, as two.
So basically the best thing about me, is you. (Ohhhh)
And,
Honestly baby, I just need you to trust.
I'mma earn it with actions, it means that much. (Ohhhuh)
I'm sorry if I'm ramblin' and goin' on and such,
But baby come close, cuz I just need you to just.. (Ohhhh)
Chorus x2:
Breathe it in and let it out,
Hold my hand and close your eyes.
Let me kiss you to the sky,
While I orbit through your mind like satellites.
Ohhhuh Ohhhuh, Ohhhuh Ohhhuh, Like Satellites, Ohhhuh Ohhhuh..
While I orbit through your mind like Satellites.
Breathe it in and let it out,
Hold my hand and close your eyes.
Let me kiss you to the sky,
While I orbit through your mind like satellites.
Ohhhuh Ohhhuh, Ohhhuh Ohhhuh, Like Satellites, Ohhhuh Ohhhuh..
While I orbit through your mind like Satellites..
Woah, oh, oh, oh, ohhh ohhhuh - continues fading out.
