

Piece Of My Heart

Steven Tyler

Come on, come on, come on, come on
Didn't I make you feel like you were the only one? Yeah
Didn't I give you nearly everything that a man possibly could?
Honey, you know I did
Each time I tell myself that, well I think I've had enough
I'm gonna show you baby, how a man sure can be tough
I want you to come on, come on, come on, come on
(take it)
Take another little piece of my heart now, baby (oh, oh, break it)
Break another little bit of my heart now, baby, baby, baby, baby
Have another little piece of my heart now, baby
You know you got it, if it makes you feel good
Oh, yes indeed, oh yes indeed
Baby, you're out on the streets looking good
And baby deep down in your heart I guess you know that it ain't right
Never, never, never, hear me when I cry at night
Yeah, I cry all the time
But each time I tell myself that, well I can't stand the pain
When you hold me in your arms, baby, I'll sing it once again
Oh, won't you come on, come on, come on, come on, now take it
Take another little piece of my heart now, baby (oh, oh, break it)
Break another little bit of my heart now, baby, baby, baby
Have another little piece of my heart now, baby
You know you got it, child, if it makes you feel good, yeah
Well, come on, come on, come on, come on and take it
Take another little piece of my heart now, baby (oh, oh, break it)
Break another little bit of my heart, now, baby, baby, baby
Have another little piece of my heart now, baby
You know you got it
Take another little piece of my heart now, baby (oh, oh, break it)
Break another little bit of my heart, now, baby, baby, baby
Have another little piece of my heart now, baby
You know you got it
Take another little piece of my heart now, baby (oh, oh, break it)
Break another little bit of my heart, now, baby, baby, baby
Have another little piece of my heart now, baby
You know you got it, if it makes you feel good, yeah
