Sunlight

Nina

watch the world go by in silence
Deep in the night in silence
Time going by so slow
I think about the morning
And it warns my heart
Because tonight I'm going back to the one i love
And by tomorrow with the dawn I'll be there
And he'll be beside meSunlight, oh, sunlight
Bring me the love I'll need to guide me
Shining deep inside of me
Sunlight, oh, sunlight
Show me the wayI look at the stars and i pray for morning
Counting the hours till morning
Thinking about his smile
His sweet smile
I'm standing on a promise of a brand new day
I couldn't face another night staying home alone
I know he needs me just as much as i need him
So, baby, I'm coming homeSunlight, oh, sunlight
Bring me the love I'll need to guide me
Shining deep inside of me
Sunlight, oh, sunlight
Show me the way
Ooh ohhhhh, yeahAnd I won't let him
I won't let him let me go, no no no
No more running from his side
I'm gonna stay right by his side
He's my laughter, my lover, my life
He's my sunlightSunlight, oh, sunlight
Show me the way to a brighter daySunlight, oh, sunlight
Bring me the love I'll need to guide me
Shining deep inside of me
Sunlight, oh, sunlight
Show me the way to a brighter dayOh, sunlight, oh, sunlight
Bring me the love I'll need to guide me
Shining deep inside of me
Sunlight, oh, sunlight
Show me the way...
To a brighter day

Ooohhhhh
