

Survival

Madonna

I'll never be an angel
I'll never be a saint, it's true
I'm too busy surviving
Whether it's heaven or hell
I'm gonna be living to tell, soHere's my story (My story)
No risk, no glory (No glory)
A little
Up and down and all around
It's all about survivalI'll never be an angel
I'll never be a saint, it's true
I'm too busy surviving
Whether it's heaven or hell
I'm gonna be living to tell, soHere's my question (My question)
Does your criticism (Criticism)
Have you caught up in what you cannot see
Well if you give me respect
Then you'll know what to expect, a littleUp and down and all around
It's all about survival
Up and down and all around
It's all about survivalI'll never be an angel
I'll never be a saint, it's true
I'm too busy surviving
Whether it's heaven or hell
I'm gonna be living to tell, soHere's my story (My story)
No risk, no glory (No glory)
A littleUp and down and all around
It's all about survival
Up and down and all around
It's all about survival
Up and down and all around
It's all about survival
Up and down and all around
It's all about survival(Up and down and all around)
I'll never be an angel
(Up and down and all around, survival)
(Up and down and all around)
I'll never be a saint it's true
(Up and down and all around, survival)
(Up and down and all around)

I'll never be an angel
(Up and down and all around, survival)
(Up and down and all around)
I'll never be a saint it's true
(Up and down and all around, survival)
