

# Step Into The Breeze

## Spiritualized

So fine, got everything I need  
You got me down, on my bended knees  
You know to lay me down  
When I'm feelin slow  
C'mon So fine, you're everything I want  
You got me hummin, oh that song  
You know to lay me back, and you know that's true  
My baby gives me, much more than I can use  
You know to lay me back, when I'm feelin slow  
C'mon The river cools, I believe  
I want to step into the breeze  
C'mon
