

# Lost in Memories

## Bridge to Grace

When you law  
And I said I'll contain you as now  
Abrasive I must pass I must come  
In this world we are all never ending  
It's only real when we all keep pretending  
How it all began  
It's over now  
I'll show you how we never try  
Maybe I'm dreaming  
Maybe I'm dissapering  
Fighting history  
One day you'll see me  
Run out of all these feelings  
Lost in memories  
Someone said  
That we're all meant to weather storm  
Close your eyes still intend to go home  
You don't have to be running from reason  
The only end is the one you beginning  
And how it all began  
It's over now  
I'll show you how we never try  
Maybe I'm dreaming  
Maybe I'm dissapering  
Fighting history  
One day you'll see me  
Run out of all these feelings  
(Guitar solo)  
Lost in memories  
After the storm  
Into the light  
There is a Ridge not far away  
Where all this was born  
And out of the night  
Every soul has come to life  
(Guitar solo)  
Maybe I'm dreaming  
Maybe I'm dissapering  
Fighting history

One day you'll see me  
Run out of all these feelings  
    Lost in memories  
    Lost in memories  
    Lost in memories
