

# The Time Of My Life

David Cook

I've been waiting for my dreams  
To turn into something I could believe in  
And looking for that, magic rainbow  
On the horizon, I couldn't see it until I let go  
Gave into love and watched all the bitterness burn  
Now I'm coming alive, body and soul  
And feelin' my world start to turn And I'll taste every moment and live it out loud  
I know this is the time, this is the time  
To be more than a name  
Or a face in the crowd, I know this is the time  
This is the time of my life, time of my life Holding onto things that vanished  
Into the air, left me in pieces  
But now I'm rising from the ashes  
Finding my wings and all that I needed  
Was there all along within my reach  
As close as the beat of my heart And I'll taste every moment  
And live it out loud  
I know this is the time, this is the time to be  
More than a name or a face in the crowd  
I know this is the time  
This is the time of my life time of my life And I'm out on the edge of forever, ready to run  
I'm keeping my feet on the ground arms open wide face to the sun I'll taste every moment and live it out loud  
I know this is the time, this is the time to be  
More than a name or a face in the crowd  
I know this is the time this is the time of my life, time of my life  
More than a name or a face in the crowd  
This is the time, this is the time of my life, this is the time of my life.  
Time of my life, time of my life
