## Bel Canto

No kindness  
When there's lack of dignity  
Politeness  
Was to join simplicity  
No caution  
Without pure sincerity  
Compliance  
Has to join with bravery  
No mildness  
Without some solidity  
No power  
Without simple honesty  
No courage  
Without justice joined within  
Good nature  
And discretion makes a team
