

Muddy Water

Ocean Alley

I cant trust myself
Couple of cigarettes plenty of regrets
I cant trust myself
But i wanna run away
But I got too much to say
The muddy water
Running down my face filling up this place
The muddy water
Muddy water
Muddy water
()

I need to wash my eyes
I need to cleanse my eyes
I need to wash my eyes(2)
Been feeling lonely
And you've been asking why
While ive been getting high
Been feeling lonely
And my head im tryna clear
But its clouded up with fear
The muddy water
Is running down my face and filling up this place
The muddy water
Muddy water
Muddy water
()

I need to wash my eyes
I need to cleanse my eyes
I need to wash my eyes I need to wash my eyes
I need to cleanse my eyes
I need to wash my eyes
