# Feel the Heat (feat. Rare Times)

## Groundislava

Baby can we tie to reality
Is that really you standing here for me
Baby can we tie to reality
Down the stairs
Underneath the street
I feel the heat
In a room full of you and me
Then I see it
Shadow on the wall
My angel
Is that really you I seeMy secret obsession
And my deception
I need you
To be here
Is that really you standing there for me?
Baby can we tie to reality?
Baby can we tie to reality?
Is that really you standing there for me?
Baby can we tie to reality?
My secret obsession
(Tie to reality)
I need you
I need you
(Tie to reality)
My secret obsession
And my deception
I need you
To be here
(Tie to reality)
Is that really you standing here for me?
Baby can we tie to reality?
Is that really you standing here for me?
Baby can we tie to reality?
(Baby can we tie to reality?)
I need you
(Is that really you standing here for me?)
I need you
Down the stairs
(here for me)

Underneath the street
I feel the heat
(here for me)
In a room full of you and me
(Down the stairs)
