Move Out

Mudhoney

A day is so long without
A day is so long within
Confounded
So crowded, move outMove right along alone
Move right along
I've been surrounded
Surrounded, move outTime and time again
Time and time again
Time and time again
Time and time again
It isn't this way, move outStep from the right side
Move to the outside
Change all directions
Leave no reflections, move outKeep out the inside
Use the tricks you've tried
Which leave no reflection
And take all direction, move outTime and time again
Time and time again
Time and time again
Time and time again
It isn't this way, move outTime and time again
Time and time again
Time and time again
Time and time again
It isn't this way
