

Don't Don't Tell Me No

Sophie B. Hawkins

I never thought that I could
Crush upon your sandy shores
And like the feeling of your warm security
It's not like me Now I come with strange excitement
At your very touch, I'm frightened
Don't I ask too much, you tell me?
Long as I can keep on yelling Don't, don't tell me no, I want you to take my hand
Never ever let it go, even if I make you mad
Darling, every bit of love you give, you will get more back
If you believe it Who cares if it's forever
There's no time when we're together
Who cares if we don't worry
We don't even have to hurry This is our world awaiting
For the sweetest penetrating
Love that we have found
Why can't we splatter it around and around? Don't, don't tell me no, I want you to take my hand
Never ever let it go, even if I make you mad
Darling, every bit of love you give, you will get more back
If you believe it Don't, don't tell me no, I want you to take my hand
Never ever let it go, even if I make you mad
Darling, every bit of love you give, you will get more back
If you believe it Why don't you stay?
You make me laugh like it's forever
And cry like I have never
You heal my pain Why can't we pray?
Let's take the time to feel the weather
And love the world together
It's the only way Don't, don't tell me no, I want you to take my hand
Never ever let it go, even if I make you mad
Darling, every bit of love you give, you will get more back
If you believe it Don't, don't tell me no, I want you to take my hand
Never ever let it go, even if I make you mad
Darling, every bit of love you give, you will get more back
If you believe it Never let it go, never let it go, never let it go
(If you believe it)
(Don't tell me no)
Never let it go, never let it go Never let it go, never let it go, never let it go
(If you believe it)
(Never let go)

Never let it go, never let it go
(If you believe it)
(Don't tell me no)

Never let it go, never let it go
(If you believe it)
(Never let go)

Never let it go, never let it go
(If you believe it)
(Don't tell me no)

Never let it go, never let it go
(If you believe it)
(Never let go)

Never let it go, never let it go
(If you believe it)
(Don't tell me no)

Never let it go, never let it go
(If you believe it)
(Never let go)

Never let it go, never let it go
(Don't tell me no)

Never let it go, never let it go
(If you believe it)
(Never let go)

Never let it go, never let it go
(Don't tell me no)

Never let it go, never let it go
(If you believe it)
(Never let go)

Never let it go, never let it go
(Don't tell me no)
(If you believe it)

Never let it go, never let it go
(If you believe it)
(Never let go)

Never let it go, never let it go
