

# (Who Says) You Can't Have It All

[Alan Jackson](#)

A stark naked light bulb hangs over my head  
There's one lonely pillow on my double bed  
Yeah I've got a ceiling, a floor and four walls  
Oh who says you can't have it all My room's decorated with pictures of you  
Your letters wallpaper this shrine to the blues  
I've got precious memories at my beck and call  
Oh who says you can't have it all I've got everything a broken heart needs  
Oh I'm doing fine don't you worry about me  
'Cause I'm Lord and Master of a fools Taj Mahal  
Oh who says you can't have it all I've got everything a broken heart needs  
Oh I'm doing fine don't you worry about me  
'Cause I'm Lord and Master of a fools Taj Mahal  
Oh who says you can't have it all Oh who says you can't have it all
