Bruised Water

Chicane

My skin is like a map
Of where my heart has been
And I cant hide the marks
Its not a negative thing
So I let down my guard
Drop my defences down by my clothes
I'm learning to fall
With no safety net to cushion the blowI bruise easily
So be gentle when you handle me
Theres a mark you leave
Like a love heart carved on a tree
I bruise easily
Can't scratch the surface
Without moving me underneath
I bruise easily
I bruise easilyI found your fingerprints
On a glass of wine
Do you know you're leaving them
All over this heart of mine too
But if I never take this leap of faith
I'll never know
So im learning to fall
With no safety net to cushion the blow[Chorus]Anyone who can touch you
Can hurt you or heal you
Anyone who can reach you
Can love you or leave youSo be gentle...[Chorus]I bruise easily
I bruise easily
