Madness Caught Another Victim

Evergrey

I've been searching for so long
For someone to lead the way
And I've been searching for someone
Someone to ease the painAnd I've been searching for someone
Anyone to help me cure my shame
Madness caught another victim
And the victim's name is BlameWhat are my options
When the road I'm walking ends?
What are my options
When all my ambitions fails?The words you now are reading
Are meant for your eyes only
I hoped for strength but now I'm leaving
'Cause I fear my feelingsAnd to not do you justice
Is too much for me to bare
And as courage is my weakness
I choose the cowards pathWhat are my options
When the road that I'm walking ends?
And what are my options
When the last ship of hope have sailed?What are my options
When the road that I'm walking ends?
So what are my options
When my words are all that remains?
