

I Wanna Thank Ya

Angie Stone

Ladies and gentlemen
This is a jazzy fizzle produc-shizzle
Angie Stone sing it baby
(Ooh)
Fo' shizzle dizzle
And you can't forget about the big
Snoopy D O double gizzle
Yeah Oh love, just don't know what it is you do to me
Somebody upstairs ought to do complain
Got me feelin' free
I ain't diggin' nobody but you
Can't take a chance on nobody new
Said, "I'm feelin' everythin' you do"
Your love is gangsta'
I wanna thank ya Love the way you love me baby
Love the way you love me darlin'
Oh don't y'know I love ya baby
Y'know I really love ya darlin'
Love the way you love me baby
Love the way you love me darlin'
Oh don't y'know I love ya baby
Y'know I really love ya darlin' You know your my destiny and I love this chemistry
It keeps on pullin' me
Making me see your the one God has sent for me
I can't explain, how you're makin' me feel
Throw up my hands 'coz this feelin' is real
Move 'em around 'coz you're puttin' it down
Your love is gangsta'
I wanna thank ya Love the way you love me baby
Love the way you love me darlin'
(It's the things you do)
Oh don't y'know I love ya baby
Y'know I really love ya darlin'
Love the way you love me baby
Love the way you love me darlin'
Oh don't y'know I love ya baby
Y'know I really love ya darlin' You give me a natural high
It feels so good, I'm on Cloud-9
Did you get sent down from Heaven?

Oh 'coz it's real and it's pleasure
You can try Love the way you love me baby
Love the way you love me darlin'
(Love it when you)
Oh don't y'know I love ya baby
(Do the things you do)
Love the way you love me baby
Love the way you love me darlin'
Oh don't y'know I love ya baby
Y'know I really love ya darlin' G A N G S T A from what I see c'mon whistle
Must we stay together forever
You see 'coz ever is ever ain't never ever with nobody
Do we get up
And the 'S' oh yes, I guessed you're blessed
I put the rocks on ya fingers earrings jingle
No more saga you got a man in ya life
And I understand watcha like Ya friends don't want you stayin' while you be seein' me
But they don't understand that you love the 'G' in me
The way I walk, the way I look, the way I talk
The way you make love in the dark
Some things in life are meant to be
I thank God above that you were sent for me
Y'see 'coz my point of view, is all about you
You gotta tell me what you wanna do Come into my life
Boy I adore you
(I need ya, I need ya, yeah yeah)
Come into my life
Boy I adore you
(Let's do it, let's do it)
Come into my life
Boy I adore you
(Yeah)
(C'mon, c'mon yeah)
Come into my life
Boy I adore you
(I gotta do it, do it, I gotta do it, do it) Love the way you love me baby
Love the way you love me darlin'
Oh, don't y'know I love ya baby
(Yeah yeah)
(I gotta do it, do it)
Y'know I really love ya darlin'
(Yeah, yeah)
Love the way you love me baby
(I gotta do it, do it, do it)
