

# Love Session

## Silk

Plug me up to the love session baby  
Plug me up baby  
Yeah, c'mon, yeah, 2000 watts  
Yeah, say boom, yeah, my beat goes  
Yeah, yeah, yeah, yeah boom boom boom  
My beat goes boom  
If you're looking for some good love  
Girl some dirty southern good love  
You need to let me know  
I'll take it nice and slow  
And baby that's for sure, oh  
Girl just beep me when you're ready  
And when I get there girl just tell me  
Just tell me what you need  
I'll follow, you lead  
And if I have to girl I'll be  
If you're lookin' for affection  
Some kissin' and caressin'  
Girl just look in my direction  
Don't be late for your lesson  
Lesson, lesson  
Get that thing nice and wet and  
Give that body a blessin'  
Don't get down without protection  
Don't be stressin'  
I can't wait for the love session  
Let me take you for a long ride  
Girl I can't wait till I get inside  
We can do it in the park  
Girl as soon as it gets dark  
Let me find somewhere to park  
Got some blackberry molasses  
Before we start, take off your glasses  
Wanna look into your eyes  
While I'm rubbin' on them thighs  
Girl you make my nature rise  
If you're lookin' for affection  
Some kissin' and caressin'  
Girl just look in my direction

Don't be late for your lesson  
Lesson, lesson  
Get that thing nice and wet and  
Give that body a blessin'  
Don't get down without protection  
Don't be stressin'  
I can't wait for the love session

I'm here to make your body scream  
I'm here to make your body sing  
Na, na, na, na, na, na, na  
Na, na, na, na, na, na, na  
If you're ready

I'll give you some good love  
Let me hear you say ooh, ahh  
L O V E S E double S I O N

See I heard through the grapevine  
That your man wasn't lovin' you right  
If you're looking for affection  
Baby don't you know

That you can come home with me tonight  
If you're looking' for  
If you're lookin' for affection  
If you're lookin' for  
Come look in my direction  
If you're lookin' for  
Oh yeah, yeah

If you're lookin' for affection  
Some kissin' and caressin'  
Girl just look in my direction  
Don't be late for your lesson

Lesson, lesson  
Get that thing nice and wet and  
Give that body a blessin'  
Don't get down without protection  
Don't be stressin'

I can't wait for the love session  
Some kissin' and caressin'  
Just look in my direction baby

All you need is over here, you want me baby  
Come and look in my direction baby  
I got some affection for you lady, oh  
I can't wait no no  
I can't wait no no  
I can't wait no no

I can't wait  
You can look in my direction  
Kissin', kissin' and caressin'  
Don't just look in my direction  
Don't be stressin'  
Don't be late for your lesson  
Lesson, lesson  
Welcome to love session
