Love Hate

Socialburn

Well, I hope it was good for you
And did you get your satisfaction
From leaving me confused
By this love hate chain reaction'Cause I'm not gonna wait forever
And I'm not gonna be deceived
No, I'm not gonna wait forever
For you to wake up and seeIf this is what you call love
This constant push and shove
If this is what you call love
Well, I've had enoughAnd soon you'll get what you deserve
Your temporary satisfaction
And I hope that you're confused
By my hate love chain reaction'Cause I'm not gonna wait forever
And I'm not gonna be deceived
No, I'm not gonna wait forever
For you to wake up and seeIf this is what you call love
This constant push and shove
If this is what you call love
Well, I've had enoughIf this is what you call love
This constant push and shove
If this is what you call love
Well, I've had enough of this push and shove
Well, I've had enough of this push and shoveIf this is what you call love
This constant push and shoveIf this is what you call love
This constant push and shove
If this is what you call love
Well, I've had enoughIf this is what you call love
This constant push and shove
If this is what you call love
Well, I've had enough of this push and shove
Well, I've had enough of this push and shove
