Lingering

Sheppard

Everybody's got somebody to see
Everybodyâ€™s got somebody but me
Everybodyâ€™s got a place to go on a Saturday night
But Iâ€™m on my own

Everybodyâ€™s got a bed for two
Without another mine is wasting room
Iâ€™m not afraid to start looking for you
Iâ€™m just afraid Iâ€™ll be out while youâ€™re passing through oh

Iâ€™ll be waiting, holding my ground
â€˜Cause I know youâ€™ll be coming around
I could take a blow from cupids bow if it helps you find me baby
Oh Iâ€™ll just stay here lingering for you

Everybodyâ€™s got a hand to hold
Without another mine is getting cold
And if I never leave Iâ€™ll never miss you
Itâ€™s just a matter of time before you pass through

Iâ€™ll be waiting, holding my ground
â€˜Cause I know youâ€™ll be coming around
Iâ€™ll sit on my own sending waves of smoke if it helps you find me baby
Oh Iâ€™ll just stay here lingering for you

Iâ€™ll whisper, Iâ€™ll scream
Either way youâ€™ll remain in a dream
But I foresee the day
When the loneliness will start to decay
You can take for granted the seed Iâ€™ve planted
But soon that baby will grow
And in no time honey Iâ€™ll find this funny
â€˜Cause Iâ€™ll be running the show, show yeah

Iâ€™ll be waiting, holding my ground
â€˜Cause I know youâ€™ll be coming around
Iâ€™ll defy the night and shine beams of light if it helps you find me baby

Oh Iâ€™ll be waiting holding my ground
â€˜Cause I know youâ€™ll be coming around

I could take a blow from cupids bow if it helps you find me baby
Oh Iâ€™ll just stay here lingering for you
