# Learning By Living

## C21

How are doing are you okay
Its lovely day why hide away
Forget the ceel phone and just let it ring
Pull the curtain and see what it bringsTake your hand out of your pocket
And show them what you gotYou are learning by living
Paraglide the winds of change
Make it by trying
Don't hold back just get it on and onOne cup too many of coffee you'll see
You think your hosting on mtv
Is that your way of letting go
Then you'll better stop the showTake your hand out of your pocket
And show them what you gotYou are learning by living
Paraglide the winds of change
Make it by trying
Don't hold back just get it on and onYou'll better get a ticket
To get a seat on next flight
I'll take your bags on
Leaving this old placeYou are learning by living
Paraglide the winds of change
Make it by trying
Don't hold back just get it on and on
