

God Only Knows

Dale Earnhardt Jr. Jr.

I may not always love you
But as long as there are stars above you
 You never need to doubt it

I'll make you so sure about it
God only knows what I've been without you
If you should ever leave me
 My life would still go on believe me
 The world could show nothing to me
 So what could more living do me

God only knows what I've been without you
Ah, ah, ah, ah, do, do, do, do, do, do, do, do.
God only knows what I've been without you
If you should ever leave me
 My life would still go on believe me
 The world could show nothing to me

So what could more living do me
God only knows what I've been without you
God only knows what I've been without you
 without you
 God only knows

 God only knows what I've been without you
 God only knowsGod only knows what I've been without you
 God only knows
