

In Your Atmosphere (Acoustic)

John Mayer

I don't think I'm gonna go to LA anymore
I don't think I'm gonna go to LA anymore
I don't know what it's like to land
And not race to your door
I don't think I'm gonna go to LA anymoreI don't think I'm gonna go to LA anymore
I'm not sure that I really ever could
Hold on to a hotel key in a
Bedroom neighborhood
And go sleep-walking in HollywoodI'm gonna steer clear
Burn up in your atmosphere
I'm gonna steer clear
'Cause I'd die if I saw you
I'd die if I didn't see you thereSo I don't think I'm gonna go to LA anymoreI don't think I'm gonna go to LA
anymore
I get lost on the boulevard at night
Without your voice to tell me I love you, take a right
The ten and the two is a lonely sightI'm gonna steer clear
Burn up in your atmosphere
I'm gonna steer clear
'Cause I'd die if I saw you
I'd die if I didn't see you thereI'm gonna steer clear
Burn up in your atmosphere
I'm gonna steer clear
'Cause I'd die if I saw you
I'd die if I didn't see you thereSee you thereI think I'm gonna stay gonna stay gonna stay in the gray
All the street lights say never mind never mind
And the canyon lines say never mind
Sunset says we see this all the time, never mind, never mindWherever I go whatever I do
I wonder where I am in my relationship to you
Wherever you go whatever you are
I watch your life play out and take pictures from a farWherever I go whatever I do
I wonder where I am in my relationship to you
Wherever you go whatever you are
I watch your life play out and take pictures from a far
