

# Make Time for Love

## Warlock

Takes a life-time of battle  
To wipe down this slate  
But it don't really matter  
I'm a soldier of fate  
Takes a life-time of pure desire  
A passionate saint  
To watch the children lie dying  
Outside of heaven's gateMy heart is a lion  
That no-one can tame  
But I'm falling, I'm falling  
I'm falling in loveOh love - don't let me walk away from love  
Don't let me be afraid of love  
Don't wanna fade without love  
Oh I - must make time for loveI'm standin' on a field of fire  
I'm a rollin' thunder  
No-one can save  
But it don't really matter  
To a fortunate slaveThe flames gettin' higher  
I pray for rain  
And I'm falling, I'm falling  
I'm falling in loveOh love - don't let me walk away from love  
Don't let me be afraid of love  
Don't wanna fade without love  
Oh I - must make time for loveAnd my heart is a lion  
That no-one can tame  
But I'm falling, I'm falling  
I'm falling in loveOh love - don't let me walk away from love  
Don't let me be afraid of love  
Don't wanna fade without love  
Oh I - must make time  
Love - don't let me walk away from love  
Don't let me be afraid of love  
Don't wanna fade without loveDon't let me walk away  
Don't let me be afraid  
Don't let me walk away  
Don't wanna fade without loveWithout love  
Without love  
Without love  
Without love
